

## **Congratulations to EVEN on its 8th Anniversary!**

Wow!  
EVEN has grown!  
Is growing!  
Is reaching more people than ever before in its 8 year history!

**Did you know** that since 2005, EVEN has sponsored over [140 EVENTS!](#)?  
Has distributed more than 13,000 Veg Starter Kits?!  
Over 9,000 pamphlets on vegan nutrition, recipes and animal rights!?  
And over 4,000 vegan magazines, books and DVDs?!

All to help fulfill its Mission Statement to **inform, educate and encourage those interested in the benefits of a plant-based diet.**

**Did you know** that EVEN also publishes in-depth [e-newsletters](#)?

Maintains a cutting-edge news [blog](#)?

Produces an all-inclusive [website](#)?

Conducts exclusive and inspiring [interviews](#) with eminent vegans?

AND

**Did you know that** since 2005 EVEN has *personally* answered over 35,000 emails from those inquiring about the whys, wherefores and how-tos of veganism!?

In addition, in 2012, EVEN also:

- held its first **vegan fair** --- KVAL News covered it!
- successfully secured a Eugene **mayoral proclamation declaring *Vegan Awareness Weekend*** and
- received an **Essentials for Life Award from United Way**--- quite an impressive nod from a mainstream group---for EVEN's educational work and extensive volunteer hours.

It helps to remember that EVEN is a **100% volunteer organization (no salaries!)**. So, 100% of your donation goes to support EVEN's vegan education and outreach efforts.

Although **everything EVEN does is offered free to the public**, it is *not* without expense. So, with that in mind...

If EVEN has promoted your business, your book, your video, your song, your veg club, your practice, your story, your event, your website, your potluck, your services, your product, or your fundraiser...

If you have attended any of EVEN's free educational lectures, presentations, *Think and Go Veg* workshops, vegan potlucks, the Vegan Share Fair, EVEN's free lending library, or visited EVEN's tabling EVENTS...

If you have received a veg starter kit, vegan nutritional info, vegan recipes, veg books, magazines, vegan food pyramids, food samples, coupons, DVDs, guidance, direction or referrals...

If EVEN has talked to you or, on your behalf, to your class, your school, your parents, your spouse, your company, your school newspaper, your doctor, your family, your uncle in Massachusetts, or your step-mom in Canada...

OR

If you are simply grateful for all of the above and for EVEN's steadfast efforts in advancing the vegan cause in Eugene and beyond...

Then please consider showing your appreciation with a **100% tax deductible donation** to EVEN by **check** or through **Paypal**.

Act now and help support EVEN's Vegan Earth Day efforts and our other 2013 outreach projects.

With your help, EVEN will keep growing and reaching more people every day.

You well know how essential it is that more people learn how to pursue a **cruelty-free diet** and why our food choices have such a **positive impact on the animals, the earth and our health!**

Since 2005 EVEN has been working to make the world we share a **healthier, more compassionate, more sustainable** place. Together we can make a difference.

We sincerely thank you!

*Eugene Veg Education Network*

*---EVEN - serving as a vegan resource since 2005---*

The **Eugene Veg Education Network (EVEN)** is an **official 501(c)(3) non-profit** based in Eugene serving as a resource for those seeking information on a healthful, **vegan** lifestyle. EVEN's emphasis is one of **non-violence, compassion and sustainability**. Focus is on the **interconnectedness of all life** and how a plant-based diet benefits the earth, non-human animals, and the individual. EVEN's Mission Statement is **to inform, educate & encourage** our members---as well as the larger community---by providing pertinent information on veganism and its positive impact on the health of the planet and all its inhabitants.
