12/3/19

Hello, 15th Annual Peaceful Potluck Attendees!

Here are some **photos** from last week's EVENT and we couldn't wait to share them with you! Since you were a guest, we are sending them to you first and later we will share with the general EVEN email list.

EVEN's 15th Annual Vegan Thanksgiving Peaceful Potluck was truly a delightful, heartfelt, and super-special event all thanks to YOU, our dear **guests** and upbeat **participants** who brought your smiles, your positive vibes, and your delicious vegan offerings all based in compassion and love.

Fabulous vegan food from **Toby's Family Foods, Capella's, Govinda's, Sundance, The Peaceful Palate, and Conscience Confections**, made it extra-special. THANK YOU!

Robert and I give special thanks, too, to our steadfast **members, donors** and **supporters** who make all EVEN work possible.

Appreciation to our wonderful **volunteers: Jay, Stacy, Larry, Josh, Kiran, Janice, Kim, Jaime, Sandy, Phunrab and Russ; Eric's** splendid music; **Alexander's** joyful photography; and the overall feeling of gratitude that permeated this affair from beginning to end.

Thank you, **St. Jude's Church** for providing a clean, safe and wholesome venue for this sacred event.

Thank you **all** for making **EVEN's 15th Annual Vegan Thanksgiving Peaceful Potluck** so memorable!

Enjoy the **photos!**
