Huge Victory for Rabbits!

Whole Foods Market Stops Selling Their Bodies as Meat [eff. December 2015]

It has been a little over a year, and our heartfelt thanks goes to Rabbit Advocacy Network, House Rabbit Society, and SaveABunny which Society and SaveABunny which were the organizations on the front lines of this battle. We also want to thank all the other groups and individuals who worked so hard to make this happen including you (our own dedicated supporters) who filled out our alerts and who made calls to Whole Foods. It could not have happened without you.

This is fantastic news! Congratulations to all who put in so much hard work and sustained focus to make this happen! Every step in the right direction toward cruelty-free and compassion is a giant leap for Ahimsa.

I'll be with you on your next step, too! Let's keep going until all animals are not exploited or abused, and are safe and free to live out their lives naturally. Animal cruelty on any level is just not something we can turn away from.

Great job, everyone!

All the best,
Lin
