Hello, everyone!

If you have a gluten sensitivity or food allergy, you know how difficult it can be to eat well without feeling deprived. Now, great-tasting gluten-free, dairy-free, animal-free meals have never been simpler.

In her book, Susan O'Brien, a food allergy sufferer herself, shows you how to make a wide range of dishes that are both gluten-free and vegan, including:

- *Mexican Quinoa Salad*
- *Yam Enchiladas with Pomegranate Sauce*
- *Peach and Blueberry Cobbler*
- *Stuffed Butternut Squash*
- *Asparagus Risotto*
- *Pumpkin Scones*
- *No-Bake Chocolate Cookies*
- *Italian Style Pasta and No-Meat Meatballs*
- *Fresh Avocado and Cucumber Soup*
- *Coconut Pancakes*
- *and many more!*

Mark your calendars! You definitely don't want to miss this EVENT. Susan O'Brien is traveling all the way from Washington State for EVEN and for Y-O-U! We hope to see you there!
