### **URGENT: Make Sure Your Vote for Measure 92 Is Counted!**

Dear Lin,

We haven't lost yet. And with the deadline to count all outstanding ballots only days away, we're pulling out all the stops to make sure every vote in Oregon gets counted.

There are 13,000 ballots that were "challenged" due to a technical problem. That's enough to swing the election in our favor, but only if they get counted by **5 p.m. on Tuesday, November 18.**

**Here's what you can do to ensure your vote gets counted. Click on this link to find out if your ballot is on the challenge**
