

Vote "Absolutely Not!" on Fur

If you go **here**:

http://www.huffingtonpost.com/2010/02/15/fur-makes-a-comeback-at-n_n_462148.html

you will find a **Quick Poll** that states:

Should fur make a comeback?

- Absolutely! Who needs to be politically correct when it's freezing outside.
- Only secondhand fur.
- Absolutely not. It's completely unethical and inhumane.

Here's a chance to make your voice heard and to show that perhaps the tide is turning---finally in 2010?---and that killing for fur is barbaric and totally unacceptable. It's essential that we speak up at every opportunity. This is another opportunity. Thank you.
