MORE INFORMATION BELOW

Hello, everybody! Just a few **reminders** and **ideas** as suggested by EVEN and others:

1. This cruelty-free VEGAN Thanksgiving potluck is **100% vegan** and that includes not using honey, please. Thank you!
2. It's helpful if you jot down the **ingredients** of your vegan dish for those who might have food sensitivities. Doing this **in advance**, helps the lines at the door move more smoothly. If you are bringing a vegan commercial product, it's fine to simply cut out the Ingredients Panel from the package. Thank you.
3. Remember to bring a **serving utensil!** (You might want to tape your name to the handle.) Thank you.
4. This is a vegan potluck. **You do not have to be vegan, but your dish does.** Vegetarian dishes are not appropriate for this gentle Thanksgiving celebration. There is as much misery, suffering and pain inherent in the production of eggs and dairy as there is in meat. Maybe moreso! So for this one meal on this one occasion, thank you for keeping it vegan! No shortage of choices. **[Find links to thousands of vegan recipes here.](#)**
5. **No alcohol or smoking** permitted in the church or on church grounds. Thanks!
6. An **information table** will be available if you wish to leave flyers or cards about your business, organization or event. Please do not walk around handing them out to folks during the potluck. Just leave your info on the info table. Thank you!
7. **Doors open at 3pm.** Assigned EVEN volunteers helping with set-up will be admitted earlier.

Thank you for your support and cooperation in making this the best Vegan Thanksgiving Peaceful Potluck EVEN has ever had!

We can't wait to see you and share this special occasion with everyone. The food is guaranteed to be delicious, fun and cruelty-free, and we are especially happy to be celebrating it with you! **Email** with any questions and RSVPs.
