Congratulations to the winners! And thank you, Keystone Café!

For all who attended EVEN's Vegan Share Fair 2013, we hope you enjoyed yourself. Certainly lots of **good food, good people and good fun.**

If you did not attend, we hope to see you at EVEN's Vegan Fair next year. Or sooner!

Thank you for your interest in EVEN.

- Whether you are veg or not, we'd like to welcome you to the wonderful world of compassion, non-violence and sustainability, where we see that all life is interconnected!! As you know by now, EVEN focuses on education and outreach.

We suggest that you check out EVEN's **News Blog**.

- It is chock full of interesting, informative and meaningful items. Read hundreds of timeless morsels listed there, and check back often for new additions.

You can catch up on some past *EVEN NOW* **newsletters and other announcements**.

- It's not all time-sensitive information. Some events might be over, but educational information remains relevant. This archival/collection can also give you an idea of the breadth of EVEN's mission statement and history since 2005.

Listed here are some very helpful **Quick Links**.

- These are quick routes to some of EVEN's most popular pages.

If you still aren't sure who EVEN is, then on our website, you can:

- **Learn more about EVEN**
- Understand our **Mission Statement**,
- Read **some of what EVEN is doing** as a vegan education group.
- (Did you know that EVEN is an official 501(c)(3) nonprofit?)

- While the Past EVENTS page lists some of EVEN's other activity as well as **previous speakers**.

Find **Local** and **National** comments here.

- You can read what others have said about EVEN over the years. Send us your own comments for posting if you feel inclined.

Read the **many** ways that **you can support our outreach!**

- Are you interested in helping EVEN? Go to our Support EVEN page.
- You can even check to see if your employer has a **Matching Gifts Program**. *(That's a smart way companies multiply the benefits of their employees' charitable contributions.)*

Today it's more beneficial to all concerned and easier and simpler than ever to **Go Veg!**

- So why not take the plunge and make *yourself* healthier, the *animals* happier, and the *earth* more peaceful?
- All the tools you need to make compassionate food choices can be found on our website.

EVEN exists to be a vegan resource for you!

- So, in addition to the **Going Veg** pages, EVEN offers *huge* amounts of **Resources** such as:

Videos
Recipes
Recommended Books, and
Recommended Links,
and many more!

Take your pick from that menu in the left-hand column while on the **Resources** page.

- On EVEN's **The Scoop** page, you can find additional educational items including:

Articles
Edu-stats
Quotations

plus

two new pages:

If Truth Be Known
and
Wake Up Call

Once again select from the Left-Hand column menu while on **The Scoop** page.

Looking for more motivation?

- If you want to hear what some long-term vegans who are leaders in their fields have to say about being vegan, be inspired by what they have shared in **EVEN's Exclusive Interviews**.

If this all feels a bit overwhelming, then use the **sitemap** to find your way around.

- Our website has 150++ pages. The sitemap can guide you to enjoy your visit to max!

*[NOTE: BTW, to go to **other pages** that interest you, click the desired tab on the top toolbar and make your selection from the menu that then appears in the Left-Hand column.]*

And while you are on **eugeneveg.org**, be sure to visit some of **EVERN's Sponsors** who are listed in the **Right-Hand Column** of every page.

- They help to keep EVEN's work going! Click their logos to go to their website.

EVERN is not funded like many other nonprofits and *everything* EVEN does is offered free to the public. But it is not without expense.

- Not only do Robert and I receive no monetary remuneration for our efforts, we also pay EVEN's bills, of course. We rely heavily on corporate and individual contributions to make EVEN's continued outreach possible. So any **donations to EVEN** are **deeply appreciated.**

Oh, and by the way, whenever you need a good laugh, give EVEN's **Comic Relief** page a look.

- I think you will find that humor lends a much-needed, hopeful perspective to the sad and heartbreaking truths with which we all must deal.
- While I think we are all obligated to take the subject matter quite seriously, we can still take ourselves more lightly.

Many thanks for your ongoing support of EVEN and our vegan education efforts!

All the best and thanks for keeping it veg!

Lin

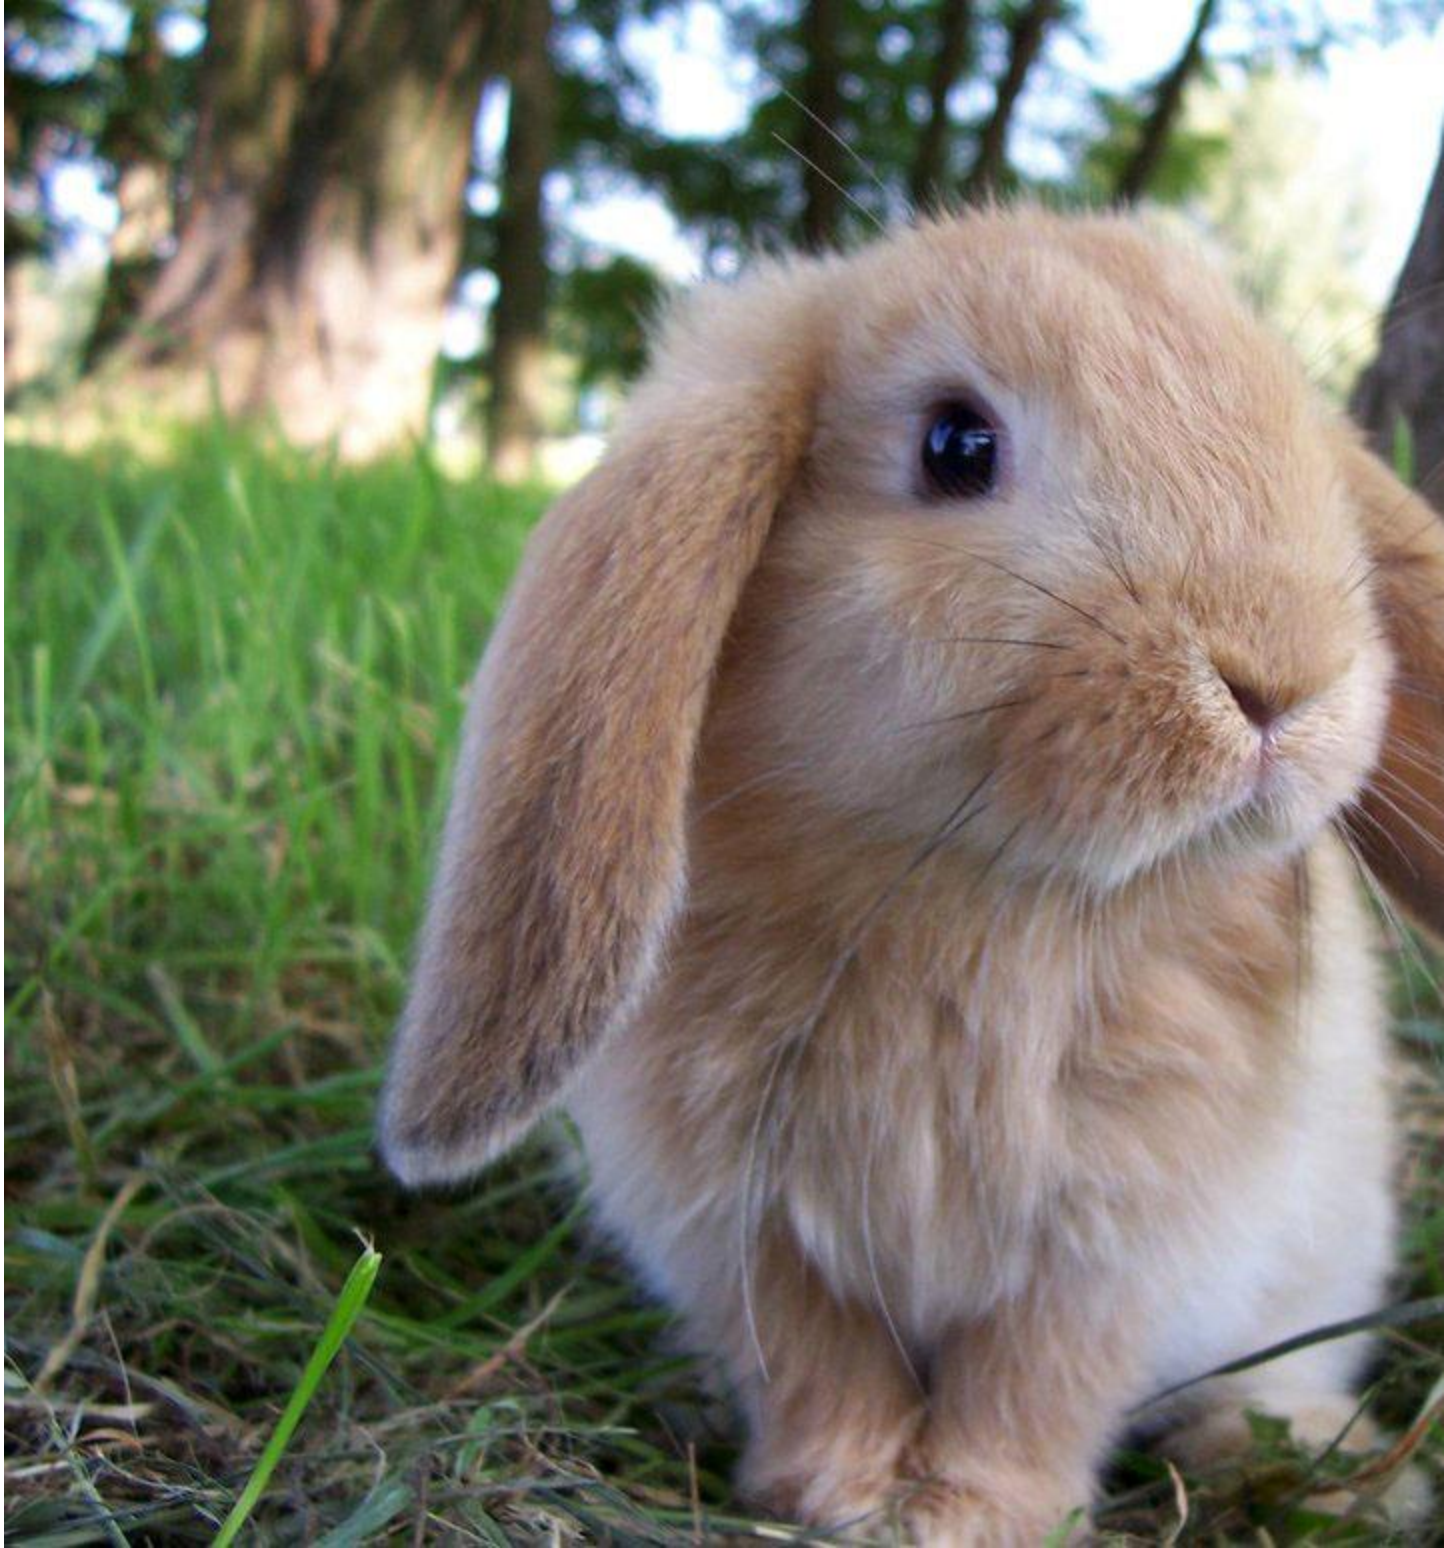

PS - We are still reeling from the loss of our precious Toby and deeply appreciate everyone who has offered their kind words during this difficult time. You might be interested in seeing a video tribute we put together to honor the memory of our dear friend.
