HAPPY AUTUMN!!!

CALLING ALL VOLUNTEERS!!!

EVEN has project opportunities for those interested in donating about 2-4 hours per week.

If you are veg, experienced with, and committed to, a vegan diet...

if you are energetic, enthusiastic and friendly...

if you are willing to support EVEN in its Mission Statement...

and, most of all, if you are reliable...

we hope you will please consider assuming a more major role with EVEN.

All projects run from one to three months and require excellent communication skills. If you are skilled in and comfortable doing phone work and have up-to-date computer skills as well, please let us know.

If we are to continue to keep up with EVEN's rapid growth, we absolutely must have longer-term, dependable, veg volunteers who are able to commit to a sizeable project or area of responsibility. Might that be you?

I know you have heard EVEN's plea for volunteers before and I appreciate your listening to our request again. Afterall, everyone has jobs, families, children...lives! I understand completely how valuable everyone's time is.

If you have the above qualifications and can donate your time and energy, please contact me for more details at 541-343-8055 or eugvegedunet@comcast.net
