**HOLY COW STAYS AT UO CAMPUS**

That’s right everybody! As you’ve probably heard, **Holy Cow** (the only eco-friendly café on campus) is staying in the EMU! Thank you to all the EVEN folks over the past months who called and sent emails to the EMU on behalf of Holy Cow. It certainly helped in the process and I’m certain **Holy Cow** must be grateful for all your support.

Also, congratulations to the amazing SETA group members at UO who worked tirelessly to keep the **Holy Cow Café** serving up its delicious and organic food! This group worked so long and so hard, they are truly an inspiration.
