Hello, everyone!

One of the recent top-requested EVEN emails for vegan recipes seems to be *what can I cook in my crock pot?* (Did everyone get one for the holidays?)

So we looked around and we think the attached "35 Vegan Crock-Pot Recipes" will start you off on the right foot. If Spring is only toying with us, and She has been known to do so, there are still plenty of cold, winter days ahead to keep you slow-cooking with flair. Enjoy!

Thank goodness for Bustle's excellent compilation, and many thanks for your ongoing kindnesses and support.

Eat hearty and thanks for keeping it vegan!

EVEN's emphasis is one of non-violence, compassion and sustainability. Focus is on the interconnectedness of all life and how a plant-based diet benefits the earth, non-human animals, and the individual. EVEN's Mission Statement is to inform, educate & encourage our members---as well as the larger community---by providing information on veganism and its positive impact on the health of the planet and all its inhabitants. www.eugeneveg.org Peace.

Veganism is good for everyone.
Whether you have a crock pot, a slow cooker, or an electric pressure cooker, all of the recipes below should work easily for you. Because I think other people out there might not be as experienced with these devices like me, I've only selected recipes that give explicit instructions for using a crock-pot, slow cooker, or electric pressure cooker. And, most importantly, all of them are vegan — and should keep you in good stews, curries, and dessert all winter long.

Here are 35 vegan crock-pot recipes to keep you warm and full. Just read the manual before you break that thing out.

SWEET POTATO CHILI

Sweet potatoes + chili = party in your nutritious mouth, thanks to this healthy-but-delicious recipe by Chocolate Covered Katie.
VEGAN DAL MAKHANI

Vegan Richa is the best resource for vegan Indian food on the web, and her vegan dal makhani looks simple and delicious. Thank God most Indian food is so easily vegan.

CANADIAN MAPLE BAKED BEANS

Baked beans are another crock-pot staple, and this Oh She Glows recipe ensures there's no meat allowed.
CROCK-POT CINNAMON PECANS

Did you know you could make flavored nuts in a crock-pot? Well, you do now, thanks to this easy recipe by Chocolate Covered Katie.

VEGAN CHOU FARCII

This beautiful-looking recipe by FatFree Vegan Kitchen uses cabbage stuffed with barley to make a surprisingly easy and healthy crock-pot meal.
APPLE SPICE STEEL CUT OATS

Steel cut oats take forever on the stove, but this Oh She Glows recipe uses a crock-pot to speed up the apple spice breakfast.

CHOCOLATE PUDDING CAKE

Yes, you can make cake in your crock-pot, and it looks delicious. This Chocolate Covered Katie recipe is perfect for those of us who always worry our cake will turn out too dry in the oven.
BLANKET STEW

This [Oh She Glows](#) stew is hearty, healthy, and perfect for whatever veggies are about to go bad in your fridge.

EASY SAAG ALOO

This classic Indian dish is made simply in your crock with this recipe by [Amuse Your Bouche](#).
LENTIL SOUP WITH BAKED SWEET POTATO

Another sweet potato soup that looks just beautiful, this Veggie Primer crock-pot recipe uses lentils instead of beans, making it almost like a curry you could put over rice as well.
TAMALE PIES

Yes, you can make a tamale pie in a crock-pot, thanks to this simple recipe by Chocolate Covered Katie.
CREAM OF BROCCOLI SOUP

You can still have a creamy soup when you're vegan, that's for sure. This recipe by Veggie Primer will take anyone who was raised on this classic soup way back.
1 MILLION DOLLAR VEGETABLE STEW

This stew by Chocolate Covered Katie looks to me like it lives up to its name.
ITALIAN EGGPLANT CASSEROLE WITH CASHEW-TOFU RICOTTA

You can make a lasagna in your crock-pot, apparently! Just look at this recipe by Cara's Cravings to find out how.
PASTA FAGOLI WITH CRANBERRY, BEANS & KALE

Get your Italian soup fix with this crock-pot recipe by Fat Free Vegan Kitchen.
FROM THE PANTRY POT PIE

Make a pot pie in your pot with this recipe by Cara's Cravings.
